

INTERNATIONAL FOOTBALL CAMP (11-16 Years)

The Football Camp for our international guests in Germany. The international football camp is for enthusiastic football players from all over the world. During this camp, our kickers practice their skills up to three times per day. Sport-specific and pedagogically qualified coaches, coupled with high-quality facilities, guarantees endless football fun and successful learning. Our young kickers will not only work on techniques such as dribbling, passing and shooting, but will also be able to show their footballing talent in many game-based and tournament formats, as well as the FERIENFUSSBALL-Football-Test. Players will be shown tricks inspired by the professionals and will also be trained physically, with coordination technique being worked on. There will also be leisure time, during which the favored Scouting Game can be enjoyed, alongside table tennis and much more. A daily 'press-conference' will also be held to decide who deserves the title 'Player of the Day'. Although the Camp is for both native and non-native speakers, it is held **purely in English**. In order to pick up some German football phrases, a German 'crash-course' will also be offered during the first week. Make new friends from all over the world, enjoy your football, learn from our coaches and have a lot of fun in doing so. Come and enjoy your football-holiday in Germany! You can choose between a 7 day or a 14 day camp stay!

Football-Holiday Program: This initial program is an example and will be altered in accordance with the needs of the groups and the weather conditions. During evening breaks, different sports such as table tennis, basketball and dodgeball can be enjoyed, alongside our favorite football-camp scouting-game 'Pinnekken'. We also offer evening goal-keeper and free-kick training, together with football quizzes. Or, you can just sit back and relax! Every evening, following the 'Player of the Day' award, the 'press-conference' will consist of a daily review and announce plans for the following day.

Important for parents: For us it is very important to choose the best possible coaches, to train them and to ensure the best possible supervision for your kids.

Our location: The sports village HINSBECK

Our international Camp is one of our newest camps, created especially for English-speaking (native and non-native) players from all over the world. The sports village in Hinsbeck (certified accommodation) provides perfect conditions for an international football camp.

Modern 6-8 bed houses and a sports hall (which is on-site) ensure players' comfort. The meals are buffet-style, catered to dietary-requirements (that are previously disclosed).

Accommodation: 30 on-site houses ensure plenty of space for our camps' participants. Every house has its own shower, washroom and toilet. The young-kickers will sleep in comfortable bunk-beds and have cupboard and shelf-space to organize their belongings.

Nationality and 24-Hour Phone Availability: The camp language is English. Do not be afraid however; you do not have to be a native speaker. Our camp is perfect for children from every country. There is a 24-Hour-Phone available for parents to use as a contact point, in case of emergency.

Football Training, Stadium Visit and Leisure Program: Football training will be 2-3 times per day in age/ability based groups. Training will be held on Astroturf, in the sports hall or on the 'street-soccer' pitch. A trip will also be made to a German first division football stadium. For the 14 day campers there will be a second trip to the city of Cologne, including German Sports and Olympics museum and sightseeing tour (e.g. Cologne Cathedral). Beachvolleyball, table-tennis, skill courses, and the cinema-room are all part of the leisure program.

We are looking forward to a great camp with players from all over the world!
